## Discipleship Training

### Children

**Sunday** - 9 - 10am kids Preschool - 5th graders are engaged in learning about God's Word in fun & active ways. Whether it's through creative Bible story telling, singing, or activity, our kids experience a hands-on learning experience to personally discover Jesus & His love for them.

**Wednesday** - All preschool - 5th graders are invited to ODYSSEY, a fun-filled, activity-bustin, Jesus-lovin, rompin good time. The fun kicks off at 6:45pm and lasts until 8pm. Games, snacks, Bible stories, crafts, and fun activities are something you won't want to miss!

### Youth

**Wake Up Club** - 6th-12th graders are invited to join in a coffeehouse type experience from 9-10am every Sunday morning. Spend time with friends as you drink Java and learn about Jesus. The Bible learning time actively engages teens in searching the scripture as well as experiencing the lessons in very hands-on tangible ways in order to help our teens become disciples of Christ.

**Souled Out: Wednesday Night Edition** - 6:30pm starts the fun in our game room. Ping pong, foosball, air hockey, video games, table games, and food make this time a blast. At 7pm join us for a live band, cool worship, games, and a study of God's Word & how it applies to your everyday life. This time is designed to create passionate, souled out followers of Christ & to have fun while we are doing it!

### Growth Groups

Growth Groups provide an opportunity to meet with people in a smaller setting. Groups meet weekly with the purpose of serving each other, serving those in our community, and always serving Jesus in the process.

Sign ups for the winter semester begin in December.
